SOGHAT

Casual vibes, and a simple buffet.

Casual attire.

No rules—just fun, friends, and a reservation.
Let's celebrate like the good old college days.

Season's Greetings

Dear Bay Club Members,

As the holiday season approaches, we once again take this opportunity to recognize and thank our incredible employees for their dedication and hard work throughout the year.

To show our appreciation, we invite you to contribute to the **"Employee Holiday Fund"**—a meaningful tradition that allows members to express their gratitude. Unlike many clubs, the Bay Club does not permit tipping during the year, which makes this fund especially important.

You may contribute any amount, either by check or by charging it to your Bay Club account. Simply reach out to any member of our office or management team to participate.

Thank you for helping us celebrate the people who make the Bay Club so special.

Warm regards,

Bay Club Officers

**Help Support the Junior Sailing Program:
Host a Sailing Instructor Next Summer!**

REMINDER:

Hiring for next summer begins this month.

**We need member volunteers to house before we can hire
instructors from abroad.**

**You do not need to be a part of the sailing program to host, all
members are welcome to host!**

We've had tremendous success the past two years with our International Sailing Instructors,
and would like to continue offering our sailors the great experience these instructors bring
to our program.

WHY HOST?

- Provide a college-aged instructor with an opportunity of a lifetime
- Gain exposure to new cultures
- Build lifelong relationships with the instructor and their family
- Represent our wonderful Community and Club
