

BAY CLUB NEWS

DECEMBER 2025

As we wrap up our gifts for the holidays, we also begin to wrap up 2025.

What an outstanding year it has been! The Bay Club has continued to grow and improve, with the most noticeable enhancement being our Main Dining Room – and the New Year will be no exception with the new Sport Courts building.

This December, we look forward to welcoming Santa and his elves for three festive brunches, and we will ring in the New Year with a special early family seating at 6:00 p.m.

I would like to take a moment to thank our Executive Board, Board of Governors, Committee Chairs and their Committees, our Chef for keeping everyone wonderfully fed, Ben for ensuring reservations flow seamlessly, Mindy and Denise for their exceptional work, and all of our dedicated staff.

Your continued efforts make the Bay Club the fabulous place we all cherish.

Finally, from my family to yours, I wish each and every member a very Happy Holiday Season. Without you, we would not be the Club we love and adore. May your holidays be merry, bright, and filled with joy.

Warmest wishes

Season's Greetings

Dear Bay Club Members,

As the holiday season approaches, we once again take this opportunity to recognize and thank our incredible employees for their dedication and hard work throughout the year.

*To show our appreciation, we invite you to contribute to the “**Employee Holiday Fund**”—a meaningful tradition that allows members to express their gratitude. Unlike many clubs, the Bay Club does not permit tipping during the year, which makes this fund especially important.*

You may contribute any amount, either by check or by charging it to your Bay Club account. Simply reach out to any member of our office or management team to participate.

Thank you for helping us celebrate the people who make the Bay Club so special.

Warm regards,

Bay Club Officers

Thank you!!!

Friendly Reminder:

Any time you use one of our courts, it must be reserved using Court Reserve. This ensures that the court is available to you at your chosen time, allows other members to plan appropriately, and helps protect the club in case of an accident. Also, please ensure that you register any guests that you are playing with so that guest fees can be charged appropriately. The fees go directly to the programs to help defray expenses. Note that the Club Guest Policy regarding the number of visits to the property also applies to guests invited to play with members on our courts.

Bay Club Cares

Dear Bay Club families,

We would like to sincerely thank all of the families that generously donated to our Thanksgiving food drive! LI Cares was so grateful for every meal donated. You helped make Thanksgiving special for many families as the need for food assistance is at an all-time high this year. Thank you!

Our Christmas charities are now under way! Once again, there will be a large, wrapped box at the front entrance of the Bay Club. Please place an unwrapped toy in the box if you wish to help. The box for toys is provided by the Family Service League which will distribute the toys to children in our local community.

*We have fulfilled all of the wish lists for our Christmas Sponsor a Child charity. If you volunteered to fulfill a wish list you should have received instructions via email. **Please let us know ASAP if you haven't received your child's information.** Please email Heather hcallery@optonline.net with any questions.*

We hope you all had a wonderful Thanksgiving and sending warm wishes for a peaceful and joyous holiday season. Thank you for your continued support!

Pat Scanlon

Dear Fellow Members,

On behalf of Elke and myself, we want to thank all of you who participated in Adult Rec. activities. We appreciated your support and cooperation. Elke and I enjoyed our three-year run as the Committee. During our time we were successful in improving the bocce experience by implementing a double elimination format, new benches, a fire pit, a gazebo, towel service, and a decorative clock. Next year the reins will be turned over to Pat Scanlon as Chair with fellow committee members Joe Pacifico and Lauren Campisi.

Thank you again and Happy Holidays,
Gary
