RESERVATIONS

Reservations are extremely important as we do have limited seating every half hour. Please note that without a reservation we will do our best to accommodate a table for you, however, reservations will take priority.

RESERVATION PROCEDURES

- 1) Seating in the dining room for lunch, dinner, brunch, holiday and themed events is available by reservation only.
- 2) All reservations are taken on the half hour and are held for fifteen (15) minutes.
- 3) If you make a reservation and are dining with other members, please list their names when you reserve a table.
- 4) Members are required to sign all bar and/or dining room checks with their member number before departure. A copy of the individual restaurant or bar check is available for the member to take with him or her as a formal receipt.
- 5) Adult children (between ages 18-25, living at home) of members may use the Dining Room with parental permission.
- 6) Hours of operation are posted on the monthly calendar and the website. The last seating for meal service is thirty (30) minutes prior to posted closing times.
- 7) Personally prepared food or food from the snack bar is not permitted in the dining room.
- 8) During the hours of 3:00 PM to 5:30 PM, bar service is available for drinks only.

Be advised that all staff and food preparation levels are based upon our reservation counts. Calling ahead allows the kitchen and staff to be prepared for your arrival. If reservation counts are low, we have lower staff levels. Arriving without a reservation can jeopardize service levels in the entire dining room - not just at your table. WE ASK THAT MEMBERS MAKE EVERY EFFORT TO CALL AHEAD. Management reserves the right to refuse seating without a timely reservation when service staff and/or seating space becomes inadequate.

Bocce Update

The summer bocce tournaments are in full swing with 96 teams competing in 3 tournaments!

Hoping everyone is enjoying their time on the bocce court!

Labor Day weekend is later this year so we still have 5 weeks left before the tournament finals and Pig Roast. That said, we urge you to please continue to schedule your matches sooner rather than later, especially in the reprieve (loser's) brackets. Anticipate vacations and college drop-offs, so schedule responsibly. 😊

Championship finals take place Labor Day weekend on Sunday, September 6th!

Bocce Finals & Pig Roast

All 3 tournament finals will take place on **Sunday, September 6th** during the annual Pig Roast.

Stay tuned for an email with further details.

Cornhole Tournament 2026 Recap

We had 11 amazing teams competing in our annual summer cornhole tournament this year! A fun-filled afternoon was enjoyed by both players and spectators on the upper lawn, with delicious sandwiches and refreshments provided by our amazing kitchen, restaurant and bar staff. Thank you to all involved!

After many rounds of play, and an incredibly competitive final, the team of Ray Yeager & Keith Evangelist were the winners (again), with Rob Meagher & Erik Larson as runners-up.

Congrats to all!

2026 Fall Team Bocce

Fall bocce information and rules:

- Team rosters must consist of a minimum of 6 players and a maximum of 14 players.
- A minimum of three (3) team members must roll in each round of a match. One player can only roll a maximum of three (3) balls per round. Rules require that 3 players roll from each side and any given player may only roll 3 balls per round.
- Maximum number of balls that one person can roll in a round trip (back and forth round) is 4 balls.
- Depending on number of teams registered, each team plays one match every week, with the season ending early/mid November.
- Fall bocce season play begins on Labor Day. Teams have until the Sunday of each week to play their scheduled weekly matches unless an extension is exceptionally authorized by the Fall Bocce chairperson. Extensions will be provided on a very select basis for very defensible reasons.
- Un-played matches, even due to rainouts, will go to a coin flip to see which team gets the win. So, please plan your matches early during the week whenever possible.
- Each division will end with a Division Champion and play in a Championship match at the end of the season. An extra week will be built into the schedule to account for any scheduling problems (if needed).
- Teams can be comprised of FULL or JUNIOR members only. Members' children and non-member significant others are not eligible to sign up for Fall bocce. Thanks for your understanding.
- Cost is \$50 per person.
- Awards will be given to each member of the winning team.

HEAD OF THE BAY CLUB IS BACK AT LARCHMONT!

After a six-year hiatus, The Bay Club Junior Sailors went back to Larchmont Yacht Club this summer to participate in the Larchmont Junior Race Week. Harry Rave and Steven Lapp represented the Bay Club, sailing in the C420 division. Out of 45 C420 boats, Harry and Steven placed 9th overall!! A huge congratulations to the boys and a special thanks to Quinn Rinaldi for coaching!

SAILING FOR A GREAT CAUSE

Seven Junior Sailors represented the Bay Club at Northport's Make-A-Wish regatta. Jackson Cordes, Spencer Lapp, Julian and Cecelia Luisi, and Marlowe Asplund raced Fevas, and Annabelle and William Buchner raced in Optis. Congrats to all sailors and a special hooray to William and Annabelle for winning 1st in their divisions.

ADULT SAILING

We are looking for more Adults to participate in Adult Sailing! We will schedule them on select days and weekends throughout the summer. This program gives adult members a chance to learn to sail a Hobie or C420. If you're interested, email bayclubsailing@gmail.com, and we'll build the schedule based on interest.

The Annual Sailing Dinner and Awards is on August 13. Call the Bay Club today to RSVP!

Bay Club Swim Team

The 2026 swim team season is flying by and Team HBC is finishing strong!

We are thrilled to welcome Kyle Yeager to our coaching staff! Since joining us mid-season, Kyle has been a wonderful addition to our team and our swimmers are looking stronger and more confident than ever.

We have several exciting events coming up, so mark your calendars and come out to cheer on Team HBC!

- * Saturday, August 1 - 8U Championship at Centerport Yacht Club at 9:30 a.m.
- * Sunday, August 2 - Tri-Club Championship at Head of the Bay Club at 9 a.m.
- * Thursday, August 6 - Swim Team Dinner at 6 p.m.
- * Saturday, August 8 - North South Championship at Northport Yacht Club at 9 a.m.

As always, the season has gone by far too quickly, but it has been amazing to watch our swimmers grow, improve, and gain confidence in such a short time. We couldn't be prouder of every swimmer and all the hard work they've put in this season.

Please come out and support Team HBC as we head into the final stretch. Our swimmers love seeing their friends, family, and fans cheering them on from the sidelines.

Swim on, Team HBC and let's finish the season strong!

Dock & Boating News

Dear Boaters,

We hope you have been able to enjoy your boat and some of the beautiful weather we've had.

Our launch operators are here to offer efficient service and a safe boating experience - but they need our help.

All the dock rules should be reviewed but please take note especially of those highlighted.

Bay Club Dock Rules & Reminders

- The Dock Attendants are there for your safety and the safety of others. Please respect all instructions from the staff.
- NO ONE UNDER THE AGE OF 12 IS ALLOWED ON THE DOCK AT ANY TIME UNLESS ACCOMPANIED BY AN ADULT.
- ALL CHILDREN 10 AND UNDER MUST PROPERLY WEAR A LIFE JACKET WHILE ON THE DOCK. Extra life jackets are available at the dock house for your use.
- THERE IS A 30 MINUTE LIMIT FOR TYING UP TO THE DOCK when conditions permit to wash, unload and load your vessel. IF YOU ARE AT THE CLUB LONGER THAN 30 MINUTES, YOU MUST USE YOUR MOORING OR A GUEST MOORING.
- Fishing is allowed when boat traffic is limited. The Dock Attendant will decide when conditions are safe.
- Please clean up all debris (especially bait) and hose the area if needed.
- The Bay Club Dinghy may be used when the launch is not in service.
- In the event you are reasonably sure that you will be the last to use the dinghy for the day, please place the dinghy on the dock and secure it to a cleat with the line. Please note that each season we replace at least 3 sets of oars. Please secure them within the dinghy.

- At no time can you tie up to the dock and leave the property.
- The speed limit is 5 mph when within 500 feet of the mooring field or dock (NYS Law). As always, you are responsible for your wake.
- HBC Dock monitors Channel 9.
- Guest Mooring Policy: Each member is entitled to one free 24 hour period on a guest mooring per month. After that, a charge of \$50 will be billed to their account for every additional 24 hour period or portion thereof.
- Pennant lines should have chafing protection where the line is in contact with the boat. This will help prevent breakaways.
- If you are using someone else's mooring with their permission, please notify the dock attendant or a committee member so as to avoid any confusion.
- If you know that you will be away from your mooring overnight or longer, kindly notify the dock attendant or a committee member, again to avoid any confusion.

Please contact us with any questions or concerns.
