SEPTEMBER 2026

Farewell to Summer — and Thank You

As another summer at The Bay Club comes to a close, we find ourselves looking back on a season filled with familiar faces, special moments, laughter, friendship, and countless memories made along the way.

Every summer brings something different, and this one was no exception. Through both the busy days and the unexpected challenges, one thing remained constant—the wonderful sense of community that makes The Bay Club so much more than just a place to spend the summer.

We extend our sincere appreciation to our Board of Governors, Committee Chairs, and Committee Members. The time, thought, and energy you give so generously throughout the season play an essential role in making the Club the special place it is.

We are equally grateful to our year-round and seasonal staff. Thank you for the long days, hard work, flexibility, and dedication you brought to the Club all summer long. So much of what our members enjoy is possible because of your efforts.

Although summer may be winding down, The Bay Club certainly isn't! Fall is a wonderful time to enjoy the Club at a more relaxed pace. We hope you'll continue to join us for lunch and dinner in the Dining Room and on the Patio, gather with friends, celebrate special occasions, and make the Club part of your plans throughout the season.

Most importantly, thank you to our members and their families. Your friendships, traditions, participation, and enthusiasm are what give The Bay Club its character and make it feel like home.

Summer may come and go, but the friendships and memories made here stay with us long after the season ends.

Thank you for another memorable summer at The Bay Club. We look forward to seeing you this Fall and making many more memories together.

2026

Fall Team Bocce

Fall bocce information and rules:

- Team rosters must consist of a minimum of 6 players and a maximum of 14 players.
- A minimum of three (3) team members must roll in each round of a match. One player can only roll a maximum of three (3) balls per round. Rules require that 3 players roll from each side and any given player may only roll 3 balls per round.
- Maximum number of balls that one person can roll in a round trip (back and forth round) is 4 balls.
- Depending on number of teams registered, each team plays one match every week, with the season ending early/mid November.
- Fall bocce season play begins on Labor Day. Teams have until the Sunday of each week to play their scheduled weekly matches unless an extension is exceptionally authorized by the Fall Bocce chairperson. Extensions will be provided on a very select basis for very defensible reasons.
- Un-played matches, even due to rainouts, will go to a coin flip to see which team gets the win. So, please plan your matches early during the week whenever possible.
- Each division will end with a Division Champion and play in a Championship match at the end of the season. An extra week will be built into the schedule to account for any scheduling problems (if needed).
- Teams can be comprised of FULL or JUNIOR members only. Members' children and non-member significant others are not eligible to sign up for Fall bocce. Thanks for your understanding.
- Cost is \$50 per person.
- Awards will be given to each member of the winning team.
- Reminder: A minimum of 3 players must play in each match and 3 players MUST roll in each round.

We can't believe another Bay Club summer has flown by! It feels like just yesterday we were kicking off camp, and now we're looking back on an incredible season filled with fun, friendships, and plenty of unforgettable memories.

A huge shoutout and thank you to Ms. Lange and all of our counselors, directors, committee members, CITs and Bay Club staff. Their energy, dedication, and countless hours of hard work kept everything running smoothly and made the magic happen all summer long.

We also want to thank our amazing campers and families for being such an important part of the Bay Club community. Year after year, it's all of you who make camp such a special place to learn, laugh, grow, and create lifelong memories.

What a fantastic, action-packed summer it was! While we're sad to see it end, we're already counting down the days until next summer and can't wait to do it all again.

Don't forget: Early registration for next summer's camp opens in March. Keep an eye on your February 2027 newsletter for all the details. Be sure to register early to save your spot and snag the best pricing of the season. We hope to see you back for another summer of Bay Club fun! 🌞🎉

If you have any questions or interest in joining the Camp Committee, please email bayclubcamp@gmail.com

Thank you for a great summer!

A heartfelt thank you to all our Junior Sailors, their families, our Instructors, and Bay Club Staff for an incredible 2026 season. Your energy, dedication and love of the water made every day on the Bay something special. The Bay Club Sailing Committee is so proud of what the Junior Sailing Program accomplished this summer on the racecourse, the water and on land. See you next Summer!

Bay Club Swim Team

The 2026 HBC Swim Team season has officially come to an end, and what a summer it was! As we look back on the season, we're excited to celebrate the incredible growth, accomplishments and memories that made this year so special.

- 84 swimmers joined the roster this summer making 2026 the largest HBC Swim Team we've had in nearly 10 years!
- 5 brand-new lane lines, 2 whiteboards, one lane line reel and one large digital clock were added to our pool deck this season - important investments in the team that will help us continue to grow, improve and compete for years to come.
- 5 mug-outs marked the end of incredible HBC swim careers. Congratulations to Bridget Evangelist, Lila Kennelly, Kayla Malone, Quinn Rinaldi, and Maddie Reynolds. We're so proud of each of you and grateful for everything you've contributed to the team!
- 4 incredible coaches dedicated countless early mornings and late nights to helping our swimmers learn, compete, and progress throughout the season. A huge thank you to Kyle Yeager, Tyler Wong, Reese Rinaldi, and Brody Gesell for your time, energy, and commitment to our swimmers!
- And a special shout-out to Kyle Yeager, who stepped in as an interim coach during the season and did a fantastic job. We are incredibly grateful for Kyle's willingness to jump in and help lead the team!

We're so proud of everything our swimmers accomplished this summer and can't wait to see the team continue to grow, improve and make memories together next season. Until then... just keep swimming!

Many thanks,

The 2026 Swim Team Committee
